

2023 Scrimmage - SVYF

For the scrimmage, there will be 3 sessions. 1st session will be 7th/8th grade. 2nd session will be 5th/6th grade. The last session will be 3rd/4th grade. Everyone will go to Alma High School and park in the east parking lot, with overflow parking available in the south parking lot.

We will scrimmage at their practice fields which are located east of the parking lot past the tennis courts and softball fields. (see attached map) **No cars will be allowed back there.** There will be a tent with water containers to refill water bottles throughout the day. We will have limited concessions and bathrooms open.

Weigh-ins will be in the garage. Teams line up in game jerseys in numerical order to help get kids through.

We will start 7th/8th grade weigh-in at 7 am.

5th/6th grade weigh-ins at 930am

3rd/4th grade at 1230 pm.

After weigh-ins teams can warm up on practice fields, or there is lots of space behind the home stands.

Each scrimmage will be 15 min Offense. 5 min break. 15 min Defense. 10 min break. Switch to the next team. Because of the number of teams, 5th and 7th grades will have one team sitting once.
