2. Practice:
 - a. On practice days, the SVYF – Director or their designee (Weather Monitor) shall be responsible for monitoring weather conditions.
 - i. Should lightning or thunder be observed, the Weather Monitor shall sound an air horn to notify those in the immediate vicinity. They shall then ensure that all teams practicing are aware of the need to seek shelter.
 - ii. Due to limited shelter in the practice areas, consideration should be given to canceling the remainder of practice to ensure safety. This is the decision of each team's Head Coach.
 - iii. If the practice is canceled, each team's Team Mom shall make every attempt to notify parents of the need to come immediately and pick up their player.
3. Games:
 - a. On Game Days, the Game Officials shall make the determination if games should be suspended or canceled.
