

2022 SVYF – Eligibility Form –

Swan Valley Youth Football (SVYF) promotes development of the whole student athlete. In an effort to promote education to the student athlete, SVYF has partnered with the Swan Valley Middle School (SVMS). This partnership is in place to help the student athlete become accustomed to the eligibility requirements the school district has in place to allow participation in sports. During the school year, during the football season, SVMS will make the President of SVYF aware of any student athlete that would fail to meet the eligibility requirements to participate in a school sponsored sport. No reason for any ineligibility will be given to SVYF, just that they would be considered ineligible if the sport were school sponsored. This will offer SVYF an opportunity to help the student athlete get on track and regain their eligibility.

As lawful parent or guardian of _____, a minor under Michigan law, I hereby authorize the
